DISCUSSION: The delivery bond in this matter was declared breached by the Assistant District Director, Miami, Florida, and is now before the Associate Commissioner for Examinations on appeal. The appeal will be sustained.

The record indicates that on December 22, 1994 the obligor posted a \$1,000 bond conditioned for the delivery of the above referenced alien. A Notice to Deliver Alien (Form I-340) dated August 25, 1998 was sent to the obligor via certified mail, return receipt requested. The notice demanded the bonded alien's surrender to the Immigration and Naturalization Service (the Service) for interview at 9:00 a.m. on September 23, 1998 at 7880 Biscayne Boulevard, 8th Floor, Room 800, Miami, FL 33138. The obligor failed to present the alien, and the alien failed to appear as required. On October 1, 1998, the assistant district director informed the obligor that the delivery bond had been breached.

On appeal, the obligor states that Service policy provides that a previously issued Order to Show Cause (OSC) which was not filed with the court prior to April 1, 1997 is invalid. The obligor states that the OSC was issued and served on the alien prior to December 22, 1994. The obligor states that the EOIR has no record of the alien and it is clear that the OSC has never been filed. Therefore, the bond must be cancelled.

The obligor's assertions on appeal are not substantiated by any independent, documentary evidence. Simply going on record without supporting documentary evidence is not sufficient for purposes of meeting the burden of proof in these proceedings. See Matter of Treasure Craft of California, 14 I&N Dec. 190 (Reg. Comm. 1972).

Delivery bonds are violated if the obligor fails to cause the bonded alien to be produced or to produce himself/herself to an immigration officer or immigration judge, as specified in the appearance notice, upon each and every written request until removal proceedings are finally terminated, or until the said alien is actually accepted by the Service for detention or removal. Matter of Smith, 16 I&N Dec. 146 (Reg. Comm. 1977).

The regulations provide that an obligor shall be released from liability where there has been "substantial performance" of all conditions imposed by the terms of the bond. 8 C.F.R. 103.6(c)(3). A bond is breached when there has been a substantial violation of the stipulated conditions of the bond. 8 C.F.R. 103.6(e).

8 C.F.R. 103.5a(a)(2) provides that personal service may be effected by any of the following:

- (i) Delivery of a copy personally;
- (ii) Delivery of a copy at a person's dwelling house or usual place of abode by leaving it with some person of suitable age and discretion;

(iii) Delivery of a copy at the office of an attorney or other person including a corporation, by leaving it with a person in charge;

(iv) Mailing a copy by certified or registered mail, return receipt requested, addressed to a person at his last known address.

The bond (Form I-352) provides in pertinent part that the obligor "agrees that any notice to him/her in connection with this bond may be accomplished by mail directed to him/her at the above address." In this case, the Form I-352 listed [REDACTED] as the obligor's address.

Contained in the record is a certified mail receipt which indicates that the Notice to Deliver Alien was sent to the obligor [REDACTED] on August 25, 1998. This notice demanded that the obligor produce the bonded alien for interview on September 23, 1998. The receipt also indicates that the obligor received notice to produce the bonded alien on August 28, 1998. Consequently, the record clearly establishes that the district director properly served notice on the obligor in compliance with 8 C.F.R. 103.5a(a)(2)(iv).

Pursuant to the Amwest/Reno Settlement Agreement, entered into on June 22, 1995 by the Service and Far West Surety Insurance Company, the Service agreed that a properly completed questionnaire would be attached to all Form I-340s (Notices to Surrender) going to the obligor on a surety bond. The failure to attach the questionnaire would result in rescission of any breach related to that Form I-340. A properly completed questionnaire must include a copy of any picture of the alien found in the Service file.

Based on the provisions of the Amwest Agreement and the fact that the record fails to show that a properly completed questionnaire was sent to the obligor, the appeal will be sustained and the district director's decision declaring the bond breached will be withdrawn and the bond will be continued in full force and effect.

ORDER: The appeal is sustained. The district director's decision declaring the bond breached is withdrawn and the bond is continued in full force and effect.
